THE WOLF CRY

SEPTEMBER 1961
1973
LEBO HIGH SCHOOL
LEBO, KANSAS

DEDICATION

Mary Norris

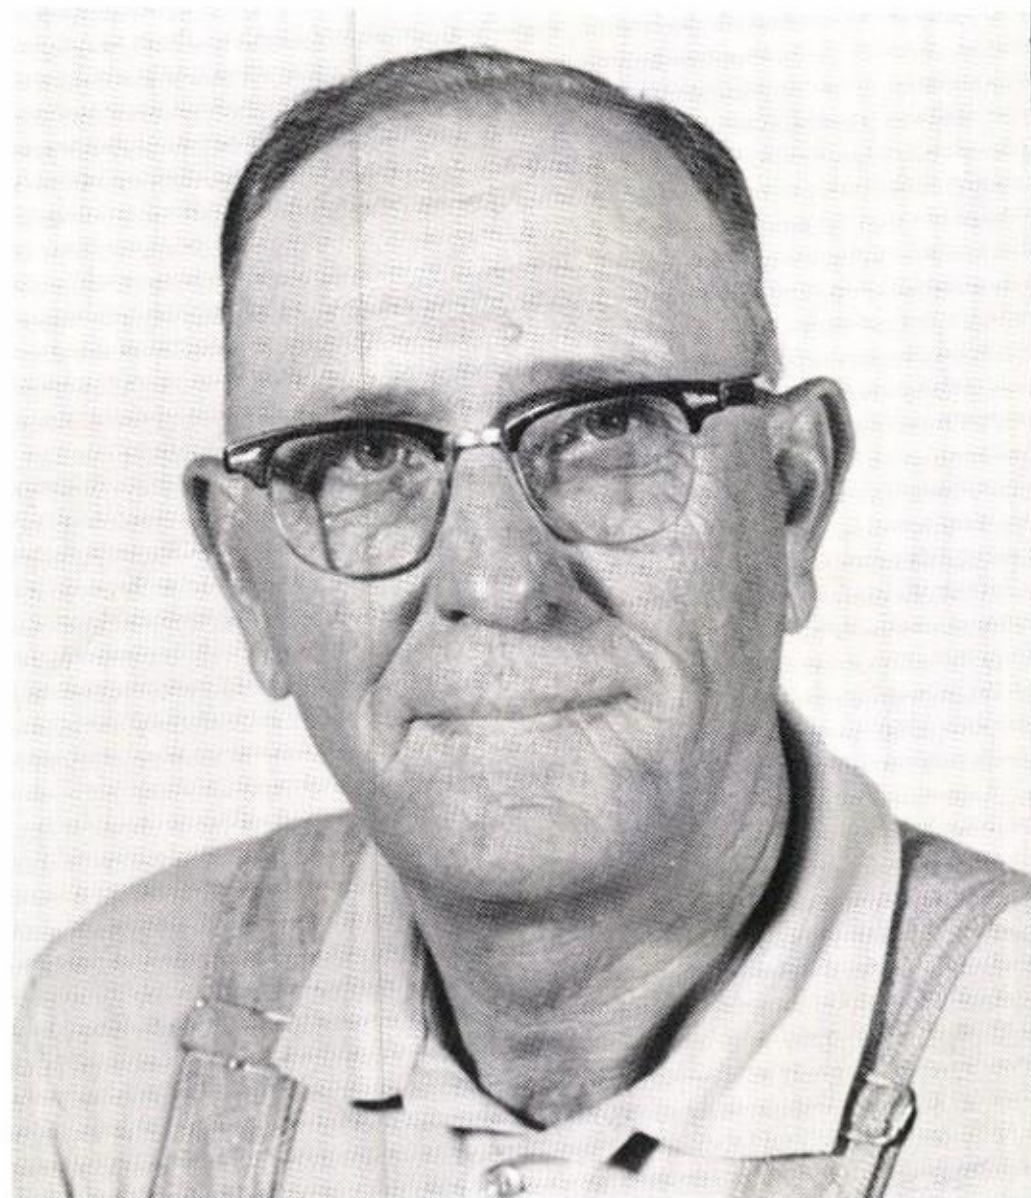

Mary Norris, the first grade teacher at Lebo, retiring at the close of this term. Mrs. Norris has taught 21 classes of first graders while she was a teacher here.

After a class finished the first grade, they thought she was a "mean-ole teacher." But she wasn't. Mrs. Norris has been one of the greatest assets the Lebo School could have had. What is more important than getting six-year-old children started off on the right foot? That's exactly what Mrs. Norris did, so L.H.S. says, "Thank you, Mrs. Norris for all your time, diligent hard work, and most of all your great patience."

Elvin Sergeant

Elvin Sergeant, Whom we all know as "Sarge", cleaned the halls and has swept the floors for the last time on June 30, 1973. Sarge will now be relaxing on pond banks catching fish and just enjoying the out-of-doors which was always his favorite pastime.

The school will miss Sarge when he retires because he always put work before leisure. The school was always kept clean. So L.H.S. says, "Thank you, Sarge. We are sorry to see you leave because we know you will be hard to replace."

To the annual staff, editor, and sponsor, the Lebo High School again has an outstanding yearbook.

With the continued co-operation of the student body, the faculty, the parents, and the board of education, the Lebo School will continue to produce outstanding students.

We feel that our students are as competent and talented as the best and that our students are ready for the challenge of higher education or life itself.

Each of us should remember that the future still belongs to those who will work, those who can see ahead, and those who are willing and able to lead.

IN MEMORY

TERRI LYNN MORGAN ***DECEMBER 19, 1955*** ***APRIL 16, 1971***

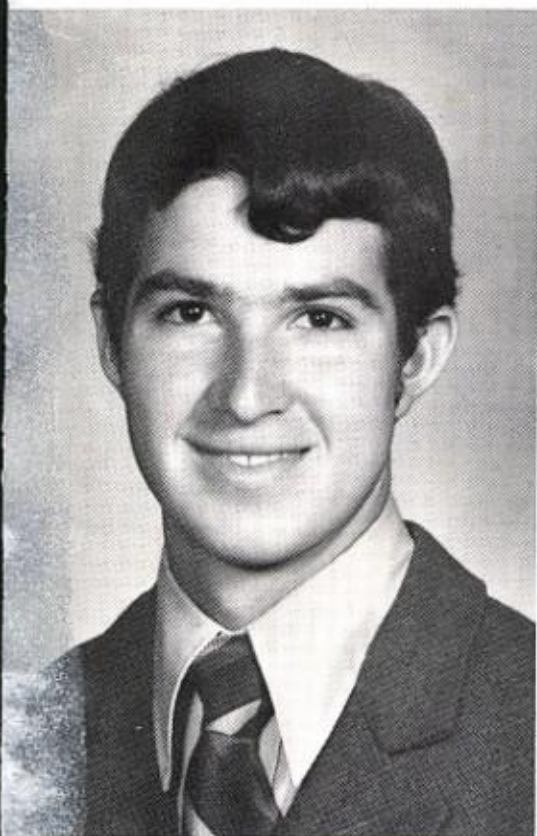

Sunset and evening star,
And one clear call for me!
And may there be no moaning of the bar,
When I put out to sea,

But such a tide as moving seems asleep,
Too full for sound and foam,
When that which drew from out the boundless deep
Turns again home.

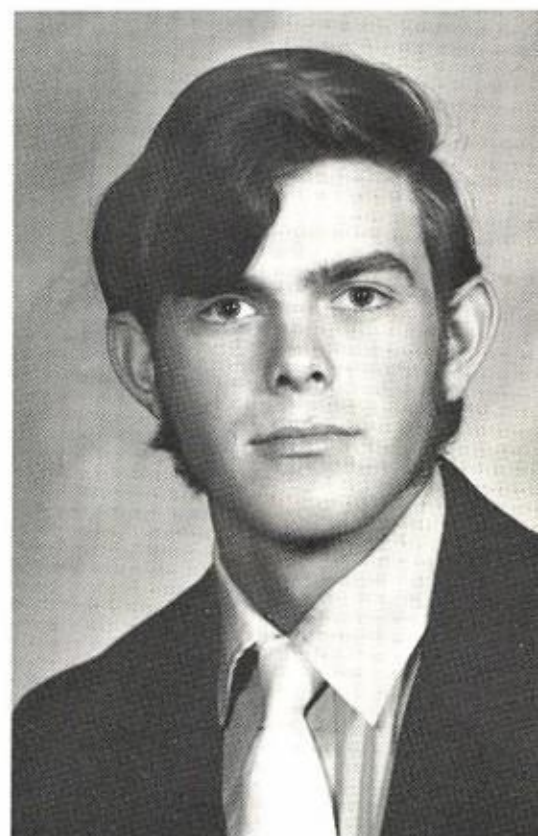

Twilight and evening bell,
And after that the dark!
And may there be no sadness of farewell,
When I embark;

For tho' from out our bourne of Time and Place
The flood may bear me far,
I hope to see my Pilot face to face
When I have crost the bar.

Alfred, Lord Tennyson

It was the glorious fall of '61--a brand new era had just begun.

The school bell rang--the walls bulged wide
When twenty-five beginners rushed inside.
They looked at their teacher with a toothless grin,
Then at each other when she said, "Let's begin."
They struggled with sounds from A through Z.
They learned to count "1-2-3-"
Writing the letters was no easy task,
and learn to read--they accomplished at last.
The year was so filled with joys to share,
the time flew by quickly and they climbed the first stair.
Their footsteps were tiny--they all looked so small
As they entered their new room at the end of the hall.
More drilling, more learning, mastering word after word
And before they realized, they had entered the third,
Fourth, fifth, sixth--the years seemed to fly
Then twenty-two happy youngsters entered Junior High.

Parties, cheerleaders, ball games or test
Whatever the challenge, they gave it their best.
Two more years of study, two years to progress
Then the grade teachers wished them, "the Best."
Just four years ago they wished high school would begin
And twenty-four little freshmen did enter in.
All sorts of privileges they believed to be theirs
Until they met the teachers face to face on the stairs.
Now things will be different, they're leaving the nest,
And the dear, faithful teachers have earned a rest.
They are sending them out to a world of confusion
Hoping each will settle in a field of good choosing.
School days have been grand! Things were such fun!
Now the solo flights have just begun.
"May the sailing be pleasant, and clouds just a few
To make beautiful tomorrows for each one of you."

ORGANIZATION PROJECTS

The Future Farmers of America was very active in the 1972-73 school year. The money-making projects included the sale of insulated vests and co-sponsoring, along with David Lohmeyer, the trap shoots held during the fall. Picking up trash, putting up street signs for the city, and selling concessions at Frankie Wise's sale were some more of the F.F.A.'s numerous activities. The Future Farmers also added three more 3rd place trophies to their collection.

The F.F.A. have won seven trophies in the last two years. The most hilarious activity was sponsoring the Donkey football game.

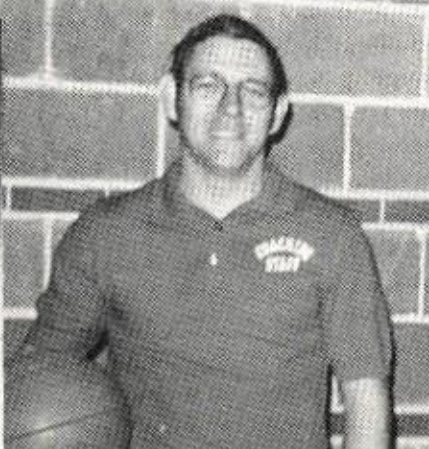

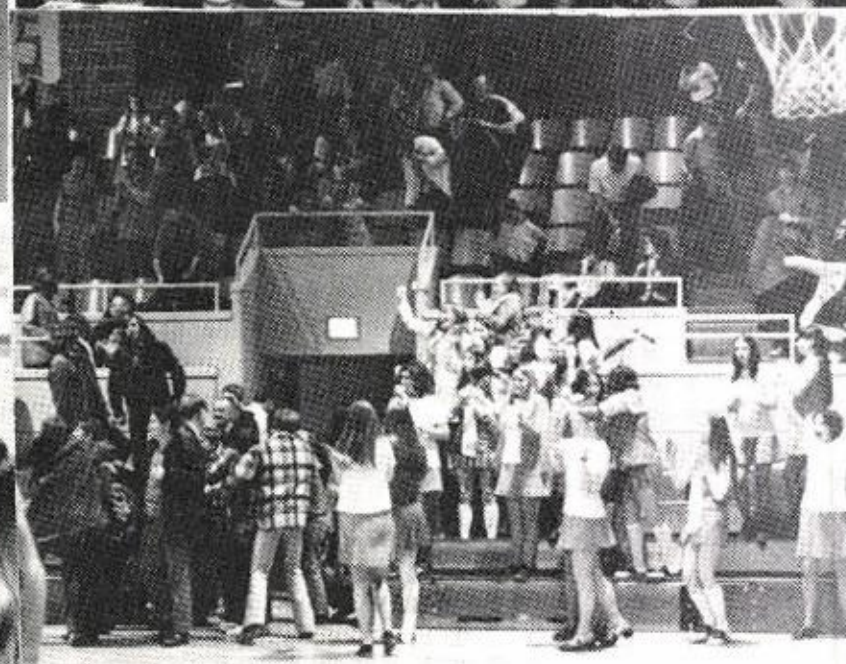

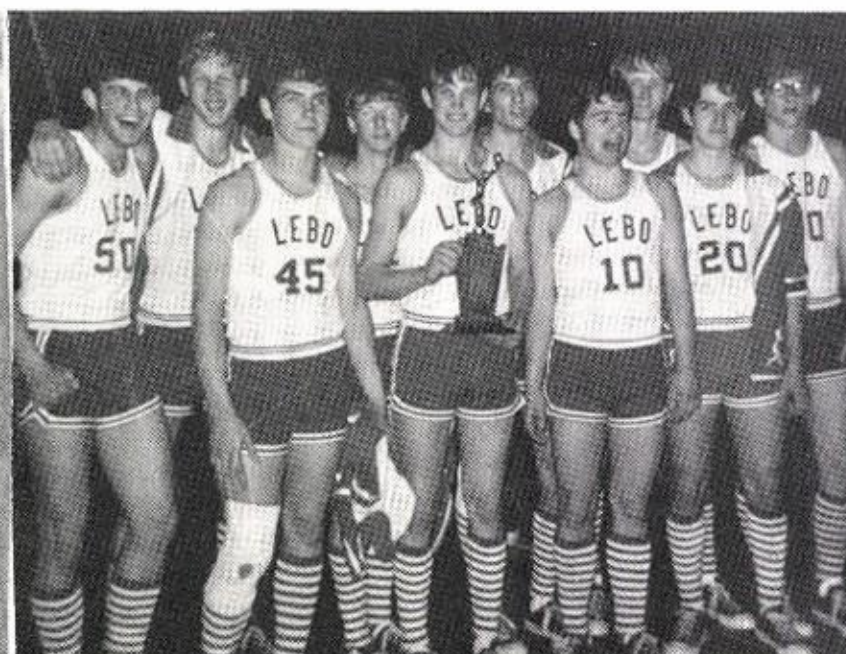

The Kayette motto is "Love, Laugh, Lift." Through numerous projects of sharing with each other and with people who needed help, the Kayette girls learned a little more about leadership, reliability, courtesy, respect and service. Kayettes camped out, collected for the Kansas Children's Service League, adopted an Indian family, provided a football games nursery and sponsored an all school Valentine's party. They attended unit conference at Williamsburg and sent officers to regional conference at Cherokee Southeast. Two girls attended Leadership Camp at Rock Springs in the summer in preparation for their second 1000-point year.

The FBLA chapter started the year by sponsoring a Halloween Parade for pre-schoolers through fourth grade. Two prizes were given to each class. The chapter sponsored a Walkathon in November and raised dollars for the March of Dimes fight against birth defects. The FBLA chapter of Lebo was represented very well at the Regional Convention February 10 and at the State Convention March 29-30, where they won many outstanding awards. Lebo's parliamentary procedure team will represent Kansas at the National Convention in Washington D.C. in June. The Chapter ended the year by sponsoring the Easter egg hunt and Easter Hat Contest for the lower elementary students. It was enjoyed by all.

The Student Council's main function is to be a service to the student body and community. This year the Council thinks they have succeeded in both cases. The 13 members of the Council and two students from the student body collected for Jerry Lewis's, "Shamrocks for Dystrophy." The Council collected \$116 for this cause. As a learning aid for the Council Joyce Hutchinson, Connie Evans, Bill Allegre, and Sherie Small attended a Student Council workshop for leadership. Student Council sponsored a Christmas party with an old-fashioned hay rack ride and a dance afterwards. Gifts from the exchange were given to the Salvation Army. Council held a STUCO day to find out how the students felt about Council and ways it could improve. Many students deserve to be recognized for the hard work on projects and in organizations. Student Council felt they should be awarded for their leadership. A "student of the year award" was presented to the boy and girl who had done a great deal for our school this year.
